We're now two months into using Online Triage, and we'd love to hear your thoughts. A **follow-up survey will be sent out soon** via text, so please keep an eye out for it.

Please remember - if you or someone you know needs help with navigating the online form, please give us a call and one of our friendly receptionists will be happy to help.

Vaccinations

We have recently sent out invites to patients who are eligible for the **COVID and Flu vaccines**.

The programme starts from Wednesday 1st October 2025 at Kenilworth Methodist Church.

If you haven't received an invite but think you are eligible, or you have received an invite but it has expired, please call us after 11am on 01926 859955.

RSV Vaccine

- Available year-round for adults aged 75-79, and pregnant women from 28 weeks gestation.
- If this applies to you, please get in touch to arrange your vaccination.

Join Our Patient Group

Abbey Medical Centre's Patient Group are in need of younger patients to join the patient group. They also need to diversify membership with regards to gender, race, ethnicity etc., thereby improving equity and inclusion within our team of volunteers. This is important so all groups of patients are equally represented.

They meet at 6pm every quarter to enable working patients to participate, but could also form a WhatsApp group for those with young families, or with jobs that include evening shifts.

If you'd like to find out more about this important role, please fill in the form on the Abbey MC website under the title Patient Group. Stella, the PPG Chair, will contact you and arrange a meeting to explain in more detail what the PPG does.

Please note - individual personal issues are not dealt with by the PPG.

Alternatively you can email Stella on abbeymcppg@gmail.com
